AL 4141

AL 4141 ACACIA SERIES RESIN GARDEN LIGHTING

Garden Lighting › Acacia Garden Lighting

Our resin lighting offers you many unique advantages. The AL 4141 Acacia series resin garden light does not corrode, its colours do not fade and it requires no maintenance or painting. The UV protected, impact resistant body provides good electrical insulation and is made from recyclable, eco-friendly materials, with clear light reflection and low energy consumption. It uses an E14 lamp at 220 V, is rated IP55 and comes in white or black.
