AL 4145LNR

Pool Lighting › Universal In-Ground Pool Lighting

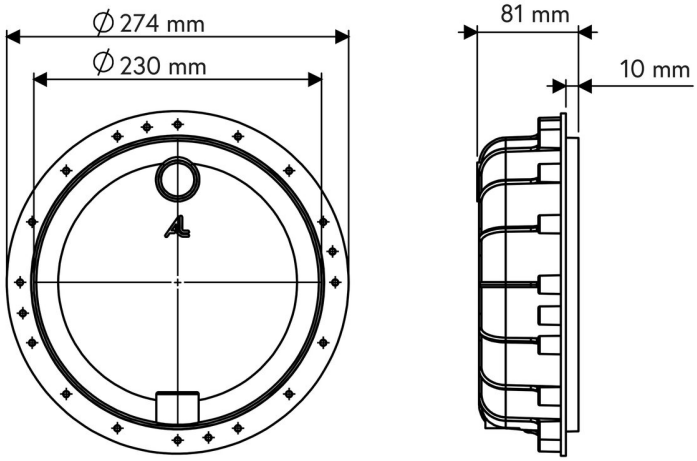

The AL 4145LNR is the liner-pool housing of the AL 4145 case series, designed for the slim AL SFPAR56 PAR56 bulb. Its frame and fittings are made of AISI 316L stainless steel, resistant to UV rays and corrosion and suitable for use in saltwater. The housing is offered with white, anthracite or stainless steel frames (AL 4145 LNR WH, AT and SS), alongside the AL 4145 concrete-pool version.
