AKER LIGHTING

TECHNICAL DATA SHEET

AL 7004-4FT

IP68 4-WAY RESIN INSULATED JUNCTION BOX

Pool Lighting › IP68 Waterproof Cable Connectors

The AL 7004-4FT is an IP68 4-way resin insulated junction box with 4 cable inputs, suitable for underwater use. It is supplied together with a two-component electrical insulation resin: after the cable connections are made, the box is filled with the resin, which seals every connection, insulates it electrically and protects it against water, moisture and vibration. It measures 54 × 38 mm.

PROTECTION RATING
IP68

CERTIFICATES AND PROPERTIES

- IP68 — IP68 waterproof
- U.V. — UV resistant
- Recyclable

FEATURES

Specifications

- Resin insulated (filled) junction box
- 4 cable inputs
- Suitable for underwater use
- IP68 waterproof rating

Advantages

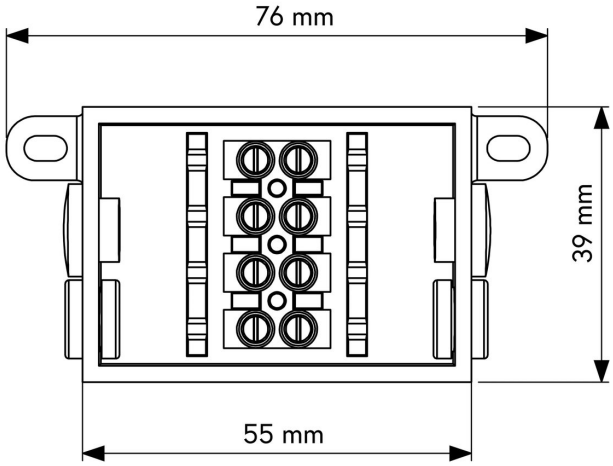

- Both components in one pouch — no measuring, no extra containers
- Mixed by hand in seconds, clean application
- Fully sealed, waterproof connection (IP68)
- Electrical insulation; protection against moisture and vibration
